Fairtrade Belgium Frontrunner Awards Newcomer of the Year 2023

The award is recognizing the efforts of companies marketing Fairtrade labelled products.

Since 2022, Guylian is exclusively producing its chocolates with Fairtrade-certified cocoa. Opting for 100% Fairtrade cocoa, Guylian pioneers as the first major Belgian chocolate producer, guaranteeing a fair and fixed price for cocoa farmers. The premium, above market price, enables producers to enhance production efficiency, improve farming techniques, prevent deforestation and foster improved education and healthcare.

Silver Company CO2 Neutral CO2logic approved

Guylian has been awarded the Silver CO2 Neutral label by CO2logic, a South Pole company in recognition of the company's commitment to sustainable development. CO2logic supports organizations in their transition to the low carbon economy.

This Silver Company label is a confirmation of Guylian's commitment, as a Belgian chocolate brand and manufacturer, to protect our planet, people and communities and to strengthen its leadership position in sustainability by reducing carbon emissions.
